She's always loved caring for animals, but it's not all cuddles with cute joeys. When the baby wombats escape and there's a predator on the loose, it's up to Kira and her new friend Alexis to attempt a midnight rescue in the Australian bush!
The 18" Kira doll has green eyes and long, wavy blond hair that can be brushed and styled. It comes styled in a half-up twist with long loose curls.
A tie-dye tank top that ties in the front and has embroidered decoration on the shoulders
A green pleated skirt with buttons up the side
