PROJECT GRADUATION 2024

Fall 2023

WHAT IS PROJECT GRADUATION?

West Morris Central High School Project Graduation is part of a nationwide effort to provide graduating seniors with a fun, safe place to celebrate their last night together as high school students

All WMCHS Seniors who qualify to 'walk' in the graduation ceremony are invited to attend. This event is our community's gift to the graduating seniors. It cannot be done without the help of fundraisers and community donors. The party is planned, organized, and paid for by parents, and local businesses.

Our graduating seniors receive a memorable night. A location is secured and only our graduates and chaperones are allowed in! Parents receive the peace of mind knowing that their seniors are celebrating in a safe and secure environment. This is a party WMC students have looked forward to and will fondly remember for many years!

No monetary support is received from the West Morris Central High School District, although they do assist us in facilitating our mailings.

WE NEED YOUR HELP!

Parents are invited to participate in and assist with Project Graduation. Many parents volunteer to organize and run fundraisers. Local businesses have been instrumental in the success of the fundraising efforts. Some offer discounts to Project Graduation Supporters and some make generous monetary tax deductible donations.

Are you able to make a donation to this great cause? Do you know someone personally who would like to assist? Do you have a business or corporation that would be willing to support this event?

If you can't make a monetary donation, how about supporting our fundraisers? Helping us run fundraisers? Or simply spread the word so we reach as many supporters as possible!

FUNDRAISING EVENTS 2023-2024

Please help us provide a wonderful and safe night for our Seniors
